

SCHOOL NEWSLETTER

Thursday 24th October

Dear Parents,

I wanted to take a moment to express our sincere thanks for your continued support at home during this term. Thanks to your efforts, the children have made fantastic progress. We're also thrilled to share that school attendance has improved from 92.5% to 95.93%, which is an excellent achievement. Next term, many children will be receiving certificates in class for 100% or significantly improved attendance.

We are incredibly grateful for the strong parental engagement this week during parents' evenings, the family workshop, and the SEND coffee morning. It's wonderful to have such engaged and supportive parents in our community.

Wishing you all a relaxing and enjoyable half term. We look forward to welcoming everyone back on Monday, 4th November (also school photo day!)

School Spider

Over half term our school digital systems are being upgraded; this will include our School Spider communications app. During the upgrade all parents will be logged out of School Spider. Parents will need to log back in again in order for it to work after half term. Due to these upgrades, we have been unable to set up next terms snack or dinner money payments yet, they will be set up as soon as possible.

Some Upcoming Dates to be aware of (a full parent calendar will be shared shortly)

- 25th October INSET DAY SCHOOL CLOSED to children
- 4th November photo day - full uniform please

Weekly Attendance:

Our whole school attendance for this week is 98.4% which is higher than our target of 98%. Thank you for your continued support and helping raise our attendance. If your child is ill but well enough to come into school, there are measures we can put in place to support them - please ask for advice.

Well done to **Falcons** for having 99.5% attendance this week! A fantastic effort made by all of the children. They will enjoy an extra play as a reward.

Huge congratulations to our new Head boy and Head girl, Molly and Billy- we know they will represent our school well.

We have also been voting on and selecting a number of other roles which will be announced in next terms' newsletter!

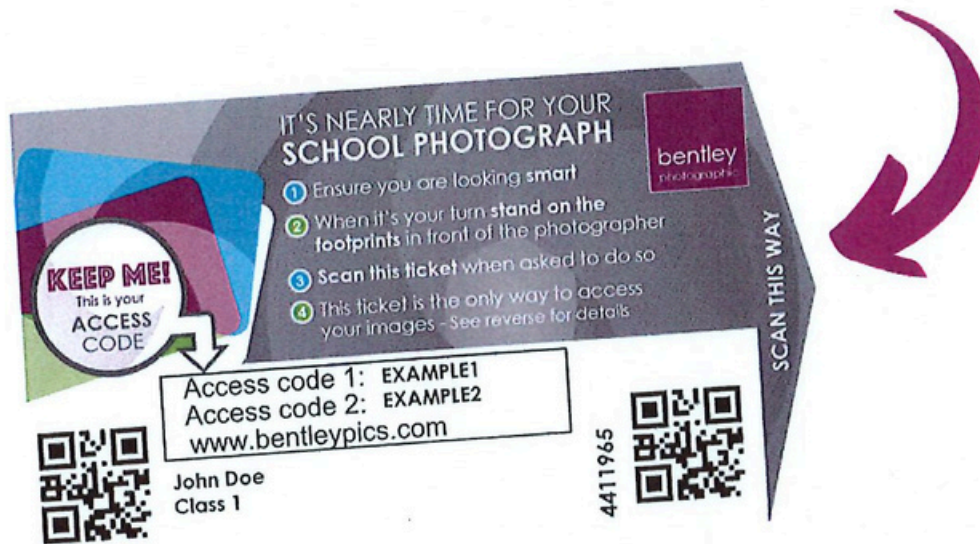

A few photos from Tuesday's family fun event!

HELLO!

We are coming to take your **official school photographs** soon and we wanted to let you know about the importance of our unique tickets.

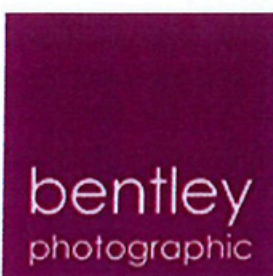

THEY LOOK LIKE THIS

Each child will be given a ticket by our photographer. This ticket is the only way for parents and guardians to access the child's images; they simply use the details on the ticket to register online and as soon as the photos are ready to view, they will receive a notification.
