NEWSLETTER

29th April 2022

In our celebration assembly this morning (and last Friday), the following children were congratulated and presented with certificates:

STARS OF THE WEEK

Last Week	
Kestrels	Penelope , for a great attitude towards her work and school routines.
Ravens	Sophie , for being a kind and caring member of the class. Sophie can always be relied upon.
Robins	Myaire , for starting the new term with a great attitude and trying hard in all areas, especially with presentation.
Falcons	Grace , for showing a really mature attitude to her learning, to make sure she does well!

This Week	
Kestrels	Skyla , for being a good friend and making sure her friends are ok by getting them help.
Ravens	Billy , for being a kind, caring and supportive member of the class, always willing to help those in need.
Robins	Greyson , for a sensible attitude to school life – well focused, attentive and thoughtful.
Falcons	Paddy , for making great progress because of the effort he puts in – particularly in reading!

SUPERSTAR LEARNER OF THE WEEK

Last Week	
Kestrels	Dylan , for the best piece of independent writing he has ever done for me! Woohoo 😊
Ravens	Nevaeh , for demonstrating an excellent understanding of measuring and calculating the perimeter of shapes.
Robins	Maddison , for super effort in Maths and lots of answer volunteering.
Falcons	Kaiden , for putting effort in to his learning during the school holiday.

This Week	
Kestrels	Lacey , for excellent timing using claves in our music lesson this week.
Ravens	Ravens Class , for demonstrating during our recent trip to Liverpool World Museum an excellent understanding of Ancient Egyptian life with a particular focus on the mummification process.
Robins	Stephen (AKA 'Mr Decimal'), for confident, accurate rounding and addition of decimals.
Falcons	Jasmine , for beautifully presented and accurate work measuring and drawing angles! You can do Maths!!

Enjoy and Achieve – Aiming High

This week our children in Kestrels class have enjoyed the lovely weather outside and been on a habitat hunt, up at the outdoor learning area. Next week the children are very excited to be fitting a bug trap door to their bug hotel.

This week Ravens class went on a school trip to Liverpool World Museum to learn about the Ancient Egyptian process of mummification. The children got to act out the process using 'Bob' the dummy, by cleaning him, extracting his vital organs such as the brain, liver, lungs and heart as well as the intestines and then wrapping his body with linen. The children had a fabulous time in the museum and got to see Ancient Egyptian artefacts first hand.
